Exhibitor displays are meant to enhance the appearance of that entry and protect the entry from the general public. That is the sole purpose of the display. Displays used for other means may be removed (this is at the discretion of the Judges). This means NO loud music is allowed from the exhibitor's display inside. Any display with objectionable music, videos, art, or other media is not permitted and will be removed from the show. The promoter reserves the right to determine what is considered objectionable.

Pets are strongly discouraged for health and safety reasons. If you cannot make other arrangements for boarding, your pet must be on a leash, and policing after them is required. Your pet must be under your control at all times and you are fully responsible for its actions. Any offensive or unsafe actions by your pet may result in expulsion from the McAllen International Carfest without refund. -
